

SAFETY DATA SHEET

Section 1 – Product and Company Identification

THE EMBALMERS' SUPPLY COMPANY
5 Colton Road
East Lyme, CT 06333

INFORMATION: 860-739-4200
EMERGENCY PHONE (24hr) CHEMTREC: 800-424-9300
www.embalmers.com – info@embalmers.com

Trade Name: **School Wax**
Product Type: Massage Cream

Product Code: 20032

Revision Date: 3/13/2015

Section 2 – Hazards Identification

Form: Powder Odor: None

Emergency Overview: None. This contains no products deemed Hazardous.

Potential Health Effects:

Exposure routes: NA

Eye Contact: NA

Skin Contact: NA
Ingestion: NA

Inhalation: NA

Aggravated Medical Condition: NA

Symptoms: NA

Target Organs: No Data

Carcinogenicity: NA

Reproductive Hazard: NA

Section 3 – Composition/Information on Ingredients

<u>Ingredient Name:</u>	<u>CAS number</u>	<u>WT %</u>
Micro Crystalline Wax	63231-60-7	24 %
Petrolatum	8009-03-8	24 %

Section 4 – First Aid Measures

Eye contact: If symptoms develop, move individual away from exposure and into fresh air. Flush eyes gently with water while holding eyelids apart. If symptoms persist or there is any visual difficulty, see medical attention.

Skin contact First aid is not normally required. However, it is recommended that exposed areas be cleaned by washing with soap and water.

Inhalation If symptoms develop, move individual away from exposure and into fresh air. If symptoms persist, seek medical attention. If breathing is difficult, administer oxygen. Keep person warm and quiet; seek immediate medical attention.

Ingestion Seek medical attention. If individual is drowsy or unconscious, do not give anything by mouth; place individual on the left side with head down. Contact a physician, medical facility, or

poison control center for advice about whether to induce vomiting. If possible, do not leave individual unattended.

Notes to physician **Hazards:** No information available.
Treatment: No information available.

Section 5 – Fire-fighting measures

Extinguishing media

Suitable Water spray

Hazardous combustion products: Carbon dioxide, and carbon monoxide.

Precautions for fire-fighting: NA

Section 6 – Accidental Release Measures

Personal precautions NA

Environmental Precautions NA

Methods for cleaning up
NA

Other Information Comply with all applicable federal, state and local regulations.

Section 7 – Handling & Storage

Handling NA

Storage Store in a cool, dry, ventilated area. Keep from freezing.

Section 8 – Exposure Control/Personal Protection

Ingredient Name: **Occupational exposure limits**

	AGCIH	NIOSH	OSHA
Micro crystalline Wax	None Listed	None Listed	None Listed
Petrolatum	None Listed	None Listed	None Listed

Exposure Guidelines

General advice: These recommendations provide general guidance for the handling of this product. Personal protective equipment should be selected for individual applications and should consider factors which affect exposure potential, such as handling practices, chemical concentrations and ventilation. It is ultimately the responsibility of the employer to follow regulatory guidelines established by local authorities.

Exposure controls: NA

Eye protection: Wear safety glasses or chemical splash goggles when dust exposure is possible.

Skin & body Wear normal work clothing including long pants, long-sleeved shirts and foot covering to

protection: prevent direct contact of the product with the skin. Launder clothing before reuse. If skin irritation develops, contact your facility health and safety professional or your local safety equipment supplier to determine the proper personal protective equipment for your use. Wear resistant gloves (consult you safety equipment supplier).

Respiratory protection: NA

Section 9 – Physical & Chemical Properties

Physical state	solid
Form	Viscous paste
Colour	off-white
Odour	Odourless
Flash point	not applicable
Ignition temperature	No Data
Boiling point	no data available
Relative density	No Data
Vapour pressure	no data available
Water solubility	soluble, limited by viscosity

Section 10 – Stability & Reactivity

Stability	Stable. Product will not undergo hazardous polymerization.
Conditions to avoid	Keep away from heat, flame, sparks and other ignition sources. Exposure to sunlight, UV light, exposure to moisture.
Materials to avoid	Acids, Bases, Oxidizing agents.
Hazardous Decomposition Products	carbon dioxide, and carbon monoxide.
Thermal decomposition:	No Data

Section 11- Toxicological Information

Acute toxicity

No Data

Section 12 – Ecological Information

Elimination information (persistence and degradability)

Biodegradability: Slowly biodegradable

Aquatic Eco toxicity

No Data

Section 13 – Disposal Considerations

Waste disposal The generation of waste should be avoided or minimized wherever possible. Disposal of surplus and non-recyclable products via a licensed waste disposal contractor. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Section 14 – Transportation Information

The data in this section is for information only and may not be specific to your package size or mode of transport. You will need to apply the appropriate regulation to properly classify your shipment.

International transport regulations

Regulatory Information	UN/NA number	Proper shipping name	Classes/*PG	Reportable Quantity (RQ)
CFR		Not dangerous goods		
TDG		Not dangerous goods		
IMO/IMDG		Not dangerous goods		
IATA(Cargo)		Not dangerous goods		

Section 15 – Regulatory Information

US regulations

U.S. Federal regulations **SARA 311/312 Classification** No Data

State regulations No Data
